

## ***What are Trix's Favorites?***

### ***Uplifting!***

Of course, I drink hot cocoas and relax in a hotel room wherever I travel for work!

### ***Favorite Moments!***

I enjoy mentoring interpreter's skills through online mentor sessions, and exchanging tales of our experiences with "bloopers." When I perform onstage, I love seeing audiences laugh.

### ***Favorite Meals***

Crab legs, fruit, lasagna – I am addicted to all of these! Don't dare bring any "chocolates" to me, or I'll be in big trouble! I'm definitely a "Chocoholic."

### ***Favorite Gifts***

Sometimes hosts offer "Travel-to-go" gift cards, and these are treasures for me. My mom keeps generously loading my Starbucks app! I also collect candles and journal notebooks.

### ***Favorite Guilty Pleasure***

Sneaking out to watch a sunset at the beach, I melt. Whenever I'm doing any workshops near a beach, you'll find me there! Also, I enjoy snooping around the boardwalk shops. Love those beach outfits, and, especially, beach bags!

Due to my back & shoulder aches from car accidents and long flights, I also love going to spas with a steam room and massages.
