September 24, 2022 Saturday @ 11:30 am – 2:30 pm (Pacific Time)
Zoom Online Meeting, Presented by Trix Bruce (Deaf)

Trix's ASL Toolkit for Number Incorporation

This workshop is provided for anyone who wishes to *improve* their American Sign Language skills focusing specifically on *various number systems found in ASL*. Trix's workshop presentation and your interaction with other participants will give you plenty of opportunities to improve your receptive and expressive sign skills. Trix's ASL Toolkit for Number Incorporation workshop will help you sign numbers related to sports and games, eye doctor appointments, mathematics classes, and award conferences, as well as countless other number-related situations. Come and learn!

Educational Objectives:

- Identify and analyze number incorporation
- Grasp how specific numbers have been adapted from ASL
- Develop skills in the use of number incorporation

My workshops benefit participants at all levels. Countless advanced interpreters have let me know that they enjoyed learning updated/new signs that they haven't seen before, such as regional accents. They also loved it when I explained how to sign messages into ASL, rather than just signing in English word by word. Interpreters appreciate that my workshops are excellent for review as well as for discovering new things that apply within the professional work environment. Students also mentioned that my workshops helped them to understand how to approach their own projects, research, and practice more effectively.

RSVP! Registration Fee: \$50
