Here are Trix's tips for preparing for your mentoring session:

1) Video-record yourself with a presentation and script. We will watch this together and discuss the process of English/ASL translation.

2) Bring a list of your particular challenges. We'll discuss ways to approach these challenges, such as storytelling, homework assignments, specific interpreting skill work, and so on.

3) Review handouts and resources and we will go over these, together.

4) Others: _____

Payment of Method: Check/Cash Credit card Pay Pal
