## Tales of a Mad, Mad, Mad ASL World

Trix performs amazing feats of American Sign Language skill, thrives on audience interaction, and enjoys accepting artistic challenges. With her creative storytelling, she brings into play various handshapes, classifiers, 3-D representations, personification, role shifts, international sign, and more. Let Trix take you on a roller coaster ride through ASL poetry, storytelling, and folk tales. Bonus: ASL Fun with Audience Participation! With no practice and no prep, Trix welcomes audience participation as she creates her ASL performance. The crowd joins in on the fun!
